

# Questions About Ghosts You Were Terrified to Ask

A real-life ghostbuster reveals everything you ever wanted to know about ghosts, but were petrified to ask. For example:

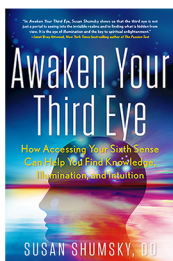

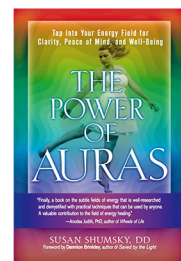

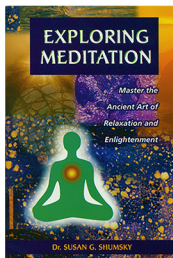

- What really happens to souls after death?
- Is it possible and safe to communicate with the dead?
- Why are some homes, offices, hotels, and other places haunted?
- What are 9 types of people most susceptible to possession?
- What are 10 signs that a person needs entity healing?
- What are 15 reasons people become ghosts?
- How can we help ghosts cross-over into the light?

Your audience will learn about spirit possession, exorcism, hauntings, poltergeists, spirit mediumship, energy vampires, energy-drain symptoms, psychic delusion, perils of trance mediumship and astral travel, spiritual self-defense, and more.
